2 Code Usage and Support

2.1. Use of ARPS Code ————————————————————

ARPS model and related software components are made available to all free of charge, or for the cost of media. Those interested in commercial use of the code should contact CAPS at the address shown at the front of this document.

Questions regarding ARPS should be directed to arpssupport@ou.edu. Interested user can subscribe to the ARPS User mailing list. See User Support section of the ARPS web page at http://www.caps.ou.edu/ARPS.

2.2. Code Support ———————————————————————

See User Support section of http://www.caps.ou.edu/ARPS.
